ORDER

Before the Court is the report and recommendation from United States Magistrate Judge Mark Lane concerning Plaintiff Progressive County Mutual Insurance Company’s (“Progressive”) motion for default judgment, (Dkts. 20, 24). (R. & R., Dkt. 25). Pursuant to 28 U.S.C. § 636(b) and Rule 1(d) of Appendix C of the Local Rules of the United States District Court for the Western District of Texas, Judge Lane issued his report and recommendation on March 11, 2025. (*Id.*). As of the date of this order, no party has filed objections to the report and recommendation.

Pursuant to 28 U.S.C. § 636(b), a party may serve and file specific, written objections to a magistrate judge’s proposed findings and recommendations within fourteen days after being served with a copy of the report and recommendation and, in doing so, secure de novo review by the district court. When no objections are timely filed, a district court can review the magistrate’s report and recommendation for clear error. *See* Fed. R. Civ. P. 72 advisory committee’s note (“When no timely objection is filed, the [district] court need only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.”). Because no party has filed timely objections, the Court reviews the report and recommendation for clear error. Having done so and

finding no clear error, the Court accepts and adopts the report and recommendation as its own order.

Accordingly, the Court **ORDERS** that the Report and Recommendation of the United States Magistrate Judge, (Dkt. 25), is **ADOPTED**.

IT IS FURTHER ORDERED that Progressive's motion for default judgment, (Dkts. 20, 24), is **GRANTED**. Progressive is entitled to the declaratory judgments listed in the report and recommendation.

The Court will enter final judgment by separate order.

SIGNED on March 31, 2025.
